Dr Ian Griffin, Otago Museum Director, and Kane Fleury, Assistant Curator, Natural Sciences, are setting sail for the Pitcairn Islands to observe and photograph a total solar eclipse. The eclipse occurs on 2 July, on a small, remote atoll called Oeno Island that is part of the Pitcairn Island group.

He sails around the Pitcairn islands and retells a story of the HMS Bounty mutineers as he had heard from people he met on his journeys. I started googling about it and found that there are books and films about it but all articles I could find were mainly talking about the mutiny part and not the part that interested me most - how Fletcher ...
