Key objectives were to assess the potential electricity demand of Rwanda's productive energy users (grid-based, off-grid, and non-electrified), examine barriers that hinder ...

Rwanda: Energy intensity: how much energy does it use per unit of GDP? Click to open interactive version. Energy is a large contributor to CO₂ - the burning of fossil fuels accounts for around three-quarters of global greenhouse gas emissions. So, reducing energy consumption can inevitably help to reduce emissions.

Several indicators point to an energy crisis in Rwanda including: accelerated deforestation, a biomass energy deficit and deterioration in electricity generation and distribution systems. The major part of the energy consumed in Rwanda ...

ALLSPARK Energy este un startup 100% românească din domeniul energiei regenerabile precum și al soluțiilor de stocare și încărcare a mașinilor electrice. Compania va ...

Restart Energy has finalized the implementation of a photovoltaic project for the company Tehno Proenergy worth approximately EUR900 000. The beneficiary's investment will be amortized in about 5 years.

CEO ALLSPARK: As the founder of an innovative start-up, I am leading the development of cutting-edge solutions for charging electric vehicles using green energy stored in batteries. Our technology is designed to revolutionize the EV charging ecosystem, making it more sustainable, efficient, and accessible. In addition, as President of the largest NGO in Romania dedicated to ...

The Allspark's energy is neutral, neither good nor bad. The technology we have was reverse engineered from Megatron. The Allspark senses the evil and makes the new life forms evil because of it. If they had been reverse engineered out of Optimus, this would be a much different storyline. In fact...I think that could've worked better. Hmm.

Your theory isn't exactly wrong. However, there is a reason why the AllSpark creates life that mirrors Megatron's aggression and anger. In Bayverse movies, Megatron's full intent was to repopulate Cybertron and use the AllSpark to create life ...
