What is Vikram Solar?

By June, the company surpassed 3 GW in terms of modules shipped globally and Vikram Solar became India's largest module manufacturer with up to 2.5 GW capacity and inaugurated a 1.3 GW module manufacturing facility in Chennai . In 2022, Vikram Solar reached a milestone of 2.5 GW in module production capacity .

Is Vikram Solar a Tier 1 solar company?

By December, Vikram Solar had commissioned a 919.73 kWp rooftop plant in Falta, West Bengal, to power part of its solar manufacturing operations . The company launched the M6 cell series modules in 2021 becoming the first Tier 1 solar company in India to do so .

Are Vikram Solar modules a good choice?

The high performance and efficiency make Vikram Solar modules a great option for both residential and commercial solar systems. The company offers a standard warranty of 12 years on product and 27-30 years on power output, guaranteeing from 83.7% to 87.4% of the initial output after 27-30 years of operation, depending on the model.

What is Vikram Solar doing in 2022?

In 2022, Vikram Solar reached a milestone of 2.5 GW in module production capacity. The company also secured a 350 MW module supply contract in the US and achieved certifications for its M10 and G12 cell modules from TÜV Rheinland and UL 61730:2022 for its factories in Panaiyur Village, Kanchipuram, and Falta SEZ .

How is Vikram Solar's manufacturing process optimized?

Our processes are optimized through practice of lean manufacturing and Six Sigma methods. We, at Vikram Solar are focusing on converging digital technologies with manufacturing operations.

Where is Vikram Solar headquartered?

Vikram Solar is headquartered in Kolkata, India. What is the size of Vikram Solar? Vikram Solar has 1,357 total employees. What industry is Vikram Solar in? Vikram Solar's primary industry is Alternative Energy Equipment. Is Vikram Solar a private or public company? Vikram Solar is a Private company. What is Vikram Solar's current revenue?

Vikram Solar Ltd. is also upgrading its product time to time and delivering Made in India product having standards at par with leading panel manufacturers worldwide. - Palash Rathi. It is a matter of high value to have associated with Vikram Solar which has a high reputation, expertise and experience in the solar module industry. ...
