The batteries in the Sonnenschein dryfit range are compact, versatile and can be used in a wide variety of applications. Dryfit technology consists of closed-system batteries in which the electrolyte is fixed in a gel. This means that no maintenance whatsoever is required throughout the entire service life of the battery.

Sonnenschein A400 Unmatched, high reliability dryfit Gel technology The Sonnenschein A400 range is a reference for energy storage, with proven reliability in many installations worldwide. The success of A400 batteries comes from the superior dryfit technology, available in a wide range of models to provide a solution for every power need.

La gamma Sonnenschein A400 è un punto di riferimento nel campo dello stoccaggio di energia. Installata in tutto il mondo, deve il suo successo alla superiore tecnologia dryfit®, disponibile in molti modelli per rispondere alle esigenze più svariate.
