What items should not be stored in a storage unit?

It's best to avoid putting food, hazardous materials, living creatures, sentimental items, guns and ammunition, plants, flammable liquids, chemicals, or perishable items in a storage unit. These items can be dangerous, cause damage to the unit, or even be illegal to store.

Can you put items in a storage unit?

Storage companies like CubeSmart, Public Storage, and Extra Space Storage all have their own rules, regulations, and policies that you'll need to adhere to, though some things are pretty standard. This includes general items you can't put in a storage unit either for safety reasons or for legal reasons.

Should you store illegal items in a storage unit?

So, unless you want to return to a unit infested with pests and filled with the stench of rotting food, it's best to keep perishable goods out of your storage unit. Storing illegal items, such as stolen property, illegal drugs, or unlicensed weapons, in a storage unit is a straight path to legal trouble.

Are perishable items allowed in a storage unit?

Always assume that perishable items aren't allowed in your storage unit, and if you have a question about storing a non-perishable item, ask the storage company to find out what their policies are and what they recommend.

Can you keep toxic items in a storage unit?

If an item is toxic, flammable, or combustible, then you're not going to be able to keep it in a storage unit. This includes: Even some household cleaners may fall on this list if they're particularly toxic or dangerous.

Should you put fragile items in a storage unit?

Just as you wouldn't send a fragile item through the mail without proper packaging, you shouldn't put items in a storage unit without the right packing materials. The right materials can protect your belongings from dust, moisture, and damage. Use sturdy, high-quality boxes that can withstand stacking.

I have always had a freestanding garbage can in my kitchen and never had a garbage can inside my kitchen cabinets. The idea of putting garbage inside a cabinet has just never appealed to me.
