Solarmax solar panel 100w monocrystalline (all weather),the Solar panels trap the free energy of the sun for your use. 5.0 0 Customer reviews KSh 3,999 KSh4,500

To understand what solar panels are and how solar panels work, first, let's talk about the basics of how solar energy is generated. The current collected by solar panels then feeds into a charge controller, which controls how much current goes to a battery. Charge controllers prevent batteries from being overcharged.
