Who is containerplus?

ContainerPLUS+ is a reliable partner with more than 40 years' experience in the container industry and is specialized in the supply of new and special containers. Through our long term contacts with both our clients and suppliers ContainerPLUS+ permanently looks for product improvement and innovation.

Why should you choose containerplus & Hacon containers in Rotterdam?

ContainerPLUS+ provides products in various markets and countries. At ContainerPLUS+ you can rely on a good price and a quality container, built to full industry specifications as well as a personal, customer minded and flexible business approach. ContainerPLUS+ and Hacon Containers in Rotterdam have become sister companies in 2017.

How are ISO containers transported?

Standard ISO containers are usually transported via a one way move direct from our factories. Specific containers can, by their specific design, not be transported by one-way. These containers are usually moved by 'empty' shipping. ContainerPLUS+ is experienced in finding the best shipping route and at the most competitive rates.
