

# Dominican Republic greenwatts llc

Is greenwatts a good company to buy solar panels?

Since going solar, my energy bills have been significantly lower, and I feel good knowing that I'm doing my part for the environment. I highly recommend Greenwatts! A solar equipment manufacturer based in the USA and with manufacturing facilities in Brazil. Greenwatts is the only company in South America that exports solar panels to the USA.

Is greenwatts a good company?

Thank you, Greenwatts! Working with Greenwatts was an amazing experience from start to finish. They made the installation process a breeze. Since going solar, my energy bills have been significantly lower, and I feel good knowing that I'm doing my part for the environment. I highly recommend Greenwatts!

What is the administration of a company in the Dominican Republic?

The administration of the company shall be in charge of one or more managers. It is not necessary that the manager be resident in the Dominican Republic, but it is recommended that at least one manager or administrator be appointed for purposes of complying with the day to day obligations. The company must have at least two (2) partners.
