Voor de overheid hebben wij de rivierbebakening en beboeing verbeterd waardoor, met name de Suriname rivier, weer aan de internationale maritieme veiligheidseisen voldeed. In het binnenland zijn er vele ZONNE ENERGIE systemen (zonnepanelen) geïnstalleerd waardoor de communicatie werd verbeterd tussen het vliegverkeer en de luchtvaartdienst en ...

In addition to the solar panels, the installation includes a solar water heater. This energy-efficient system ensures a constant supply of hot water, powered entirely by the sun. The solar water heater not only contributes to reducing energy bills but also supports a greener lifestyle by lowering the household's carbon footprint.
