What are statutory employee benefits in France?

In France, statutory employee benefits typically cover those with standard employment contracts, including full-time, part-time, and fixed-term roles. These employees are integrated into France's comprehensive social security system, granting them access to health insurance, pension schemes, and unemployment insurance.

What taxes do employees pay in France?

Alongside income tax, employees are also required to contribute to social security, which covers aspects like health insurance, pension funds, and other social benefits. You can see the payroll deductions and tax elements applied in France in 2025 along with historical tax years in the France tax tables.

What benefits does a company offer in France?

Contributions to a PER offer tax advantages, making it an attractive long-term savings option. Beyond salary and pensions, companies operating in France typically provide supplemental benefits to attract and retain top talent. Minimum paid leave: Employees are entitled to 5 weeks of paid vacation per year.

How do employers contribute to social security in France?

Most declarations and payments now happen digitally via the URSSAF website or through the Déclaration Sociale Nominative (DSN) system. For many businesses, especially those from countries with lighter social security systems, the extent of employer contributions in France can be startling. These contributions typically include:
