Partnership demonstrates key LDES use case and the largest U.S. government-financed battery storage system export to Africa to date Wilsonville, Ore. - May 7, 2024 - ESS Tech, Inc. ("ESS") (NYSE: GWH), a leading manufacturer of long-duration energy storage systems (LDES) for commercial and utility-scale applications, today announced that it has ...

Long-duration energy storage will enable faster recovery from climate-driven disasters.. 2024 is officially an above average year for hurricane activity in the Atlantic. But "above average" does not do justice to the devastation experienced by communities stemming from these climate-driven natural disasters.
