Ethiopia - Ethnicities, Languages: Ethiopians are ethnically diverse, with the most important differences on the basis of linguistic categorization. Ethiopia is a mosaic of about 100 languages that can be classified into four groups. The vast majority of languages belong to the Semitic, Cushitic, or Omotic groups, all part of the Afro-Asiatic language family.

Africa's oldest independent country, Ethiopia is also the continent's second most populous (after Nigeria), with 102.5 million inhabitants from more than 80 different ethnic groups.

Toyota Tsusho Corporation's affiliate, CFAO Kenya Limited will invest in OFGEN, a solar solutions business centred in Kenya in a bid to expand the use of renewable energy in Africa to achieve carbon neutrality. OFGEN ...
