

Evlo battery Antigua and Barbuda

Who is evlo?

EVLO specializes in delivering cutting-edge battery energy storage solutions (BESS) along with a comprehensive suite of services designed to meet your project's unique requirements. With decades of hands-on experience in BESS technologies, we are committed to offering a seamless end-to-end experience from conception to operation.

What makes evlo unique?

EVLO is proud to power a brighter world for our communities. As a subsidiary of Hydro-Québec, North America's largest renewable energy producer, working with large-scale energy storage systems is in our DNA.

How many evloflex Bess projects are there in Virginia?

The enhanced EVLOFLEX BESS will be deployed across three large-scale BESS projects in the Commonwealth of Virginia, totaling more than 300 MWh in capacity. Sign up for our newsletter to receive exclusive email updates on offers, blogs, and events.

What makes evlo a Bess provider or integrator?

EVLO is more than a BESS provider or integrator, we're a partner. We understand the importance of community acceptance, which is why we're committed to partnering with our customers, utilities and communities each step of the way.
