

Fiji water storage

What is Fiji Water?

From a sustainable aquifer in Fiji to more than 60 countries across the globe, FIJI Water has been bringing Earth's Finest Water to the world since 1996. Save up to 20% and get free delivery when you subscribe to FIJI Water Home Delivery.

Where can I buy Fiji Water?

FIJI Water is widely available at fine restaurants and hotels, all major retail channels including grocery and convenience, and through an innovative home delivery program.

How is Fiji Water collected?

According to the Fiji Water company, the process of procuring the water is quite simple - the rain falls, seeps into the aquifer, and waits for collection. Many of those who consume Fiji Water claim it has a better "taste" than other bottled or tap waters.
