The economy of the French Southern Territories is limited due to the harsh climate and lack of resources. The main economic activity is fishing, particularly for Patagonian toothfish, and the sale of postage stamps to collectors. The French government also provides support for scientific research and maintains a military presence.

The ambiguous status of the TAAFs is set out in a law dated 6 August 1955, supplemented by a decree dated 11 September 2008. The 1955 law described them as an "overseas territory" (TOM), although this legal category was abolished by the constitutional amendment of 28 March 2003, which replaced it with the concept of an "overseas collectivity" ...
