Fitting a solar panel to caravan, motorhome, boat or camper is a proven method of extending the life of 12V batteries. All our solar kits are suitable for marine environments, fresh or salt water. Each solar panel is built to the very highest quality standard of materials and workmanship. The Caravan Motorhome & Boat Kit range covers low to medium battery charging requirements, ...

Our 185W solar panel is the most powerful of the Sunshine Solar range for 12V battery charging if you are looking for faster power generation this solar module will deliver. The high wattage output combined with high efficiency monocrystalline cells make this solar panel of particular interest for motorhome uses, static caravans, mobile homes, live aboard boats where larger power ...

Here you will find our range of off grid power inverters. An off grid inverter is connected to a battery or battery bank and converts the direct current (DC) from the battery to alternating current (AC), the power from the battery can then be used for running most 230V electrical appliances. Modified Sine Wave Inverters work well with the majority of electrical appliances, however if ...

We had Sunshine Solar install our 10 panel system almost a year ago and we are very happy with it. Obviously especially in summer where our bill went from \$130 Dec 2021 down to \$42 in Dec 2022!! It's more even over winter but still a saving and great to be part of covering our own needs including charging a car. We appreciated the clear ...

an't recommend sunshine solar enough. an't recommend sunshine solar enough., 3kw invererter went wrong, it was 2 years out of the warranty,I phoned for some advise, I think it was Mike who helped, he told us to return it and they would look at it, he phoned me back a few days later to say it had gone wrong and that they would send us a refurbished one with-no charge.

With the Government of Montserrat's Solar PV farm now producing 1MW of power, could harnessing the sun be the way forward for a 100% renewable energy-powered nation? The EDF11-funded solar farm is ...
