Amsterdam/Oslo - 19 February 2024 - MPC Energy Solutions ("MPCES", "Company") announced today that it is nearing the start of construction of its 65 MWp solar PV plant San Patricio in Guatemala. The Company is working on finalizing the relevant construction and financing agreements in the next two weeks.

The Governor of the Central Bank of Lesotho says food and energy prices coupled with weak exchange rate were the main contributors to the rise in inflation. Dr Maluke Letete said this when giving a report of the 104th Monetary Policy Committee (MPC) held on Tuesday. He said domestic inflation increased to 6.5 percent in October from 5.8 percent ...

Amsterdam/Oslo- 31 March 2023 - MPC Energy Solutions (MPCES) published its annual report and financial statements for 2022 today. As shared by the company during the Capital Markets Day it hosted on Wednesday, MPCES reported USD 3.6 million in revenues and USD 2.1 million project-level earnings before interest, taxes, depreciation and amortization (EBITDA).

Formed in 1980, MPC implements energy management programs for large industrial companies. MPC evaluates the required usage levels of each product line and implements the management tools necessary to control the cost variations in energy. MPC developed (KVI's) Key Volume Indicator models that can track results of the savings programs to within 1% per year.
