

Niue hello solar reviews

Is Hello solar a good company?

Hello Solar made it easy and explained everything clearly. I was a little worried at the start reading through the reviews but when seeing how long they have been in business and the amount of installs completed, I gave them a shot! Very pleased, happy with the process and would highly recommend to any of my friends. Good work. Show details

Why should I choose Hello solar?

Found all the product information, installation time frame and inspection to be as stated. Excellent people to deal with, installation crew were punctual, professional and informative. Hello Solar assisted with all the paperwork and claims forms for Gov Rebates. Going to save money long into the future. Would highly recommend.

Did Hello solar deliver what they promised?

Hello Solar delivered what they promised! From the time of acceptance of their quote, everything went through as scheduled. Installation crew were very professional, turned up on time and completed all works efficiently. Correspondence with the energy retailer were copied to us to keep us in the loop. Would not hesitate to recommend Hello Solar!

Did Hello solar install solar at my home address?

On the 22nd of November 2019, Hello Solar sent an electrician to install solar at my home address (refer agreement letter) On Friday the 10th of January 2020 at approx. 8 pm, I walked into my garage and noticed a large hole in my ceiling. The plaster had collapsed and landed on my Audi SQ5 which was parked in my garage.

Is Hello solar in breach of contract?

The completed install was way overdue and Hello Solar were in breach of contract. No apology, just running away as fast as they could with exception of the tech support person. My best advise ...use anyone but Hello Solar.

"I recently had a solar geyser installed by Solar Guru, and I couldn't be happier with the entire process. From the initial consultation to the final installation, their team demonstrated professionalism and expertise. The installation was done efficiently, and the solar geyser has been working flawlessly, providing hot water in an eco-friendly ...

Outstanding, I had to post a review of my solar installation, I couldn't be happier, Hello sun is a great local business, the cost, speed and quality of the install was top notch, they removed an old dead system, and put in new 6.6kw system at a great price we went from a \$900 bill to an \$8 credit on our first bill.

Bei hello.solar haben Sie einen ständigen Ansprechpartner, der Ihre Fragen beantwortet, und die gesamte Installation durch unsere Werkstatt in nur 3 einfachen Schritten arrangiert: Anfrage Nach Eingang der Anfrage wird sich unser Solarenergieexperte so schnell wie möglich mit Ihnen in Verbindung setzen.

Based out of one of Melbourne's northern suburbs and looking for 6.66Kw solar system. Recently got quoted by Hello Solar. There are around 400 reviews available online and comes to an average score of ~4 out 5.

So 8 months since install by Hello Solar it's operations normal. I continue to get above the predicted kWh for our location and array. I think I benefited from the cookie cutter approach of a marketing type business in Hello Solar. My install was much more complex than average, all they charged was an extra \$200 for 2nd story.

I will recommend Solar Shop to anyone who needs to install their own Solar system for the following reasons: Professional advice, very good communication and quick reply on any questions, on time delivery of all products and no damage, quality products sold, very good installation advice from Solar Shop, very competitive pricing. My 7.2Kw solar...

Ben and his team were great and deserving of the reviews. Solar system is 4.8w and HSW system is air pump (additional cost) Helcro also gave me advice on location of battery and what I need to do to make the location compliant (that's for next year) and Ben even came up with a solution about getting power to my new kitchen as part of a kitchen ...

I placed my order for a full solar energy system on Avo by Nedbank ecommerce platform on 2 Feb 2023, the service provider being Trust Solar, paying in full (R145,600.00). The inverter and battery was installed on 9 March 2023. As at 4 April 2023 (2 months later and a month after the initial partial installation) I still await the solar panels.

Sunlife Solar and Roofing was recommended to us by our friends. We were impressed when we met with them and the numbers made sense so we decided to purchase.

It took about 4 weeks from start to finish and we were updated along the way which we really appreciated.

Our installation team was professional and very nice.
