SM Power -Our battery packs consist of multiple cells connected in a series and/or a parallel, encased in shrink sleeves. We manufacture MNRE recommended & BIS approved lithium ion battery pack in India to be used for various applications like portable devices, solar streetlights, UPS & inverters.

1. Introduction. Colombia is a country in South America in which around 52% of the territory belongs to the non-interconnected zone, involving 1, 798 rural communities .Only 79% of them have electricity between 1 and 6 hours per day, 17% have more than 6 hours of daily electricity supply, and the remaining 4% have no electricity supply service.

We provide solutions in Un-interruptible Power Supplies and associated power conditioning products in India. A reliable power solutions partner for the entire spectrum of user -segments, UPS provides protection with power continuity at its best, to ensure maximum uptime for all critical equipment by means of world-class power conditioning products.
