Techno solis solar panel reviews have proven to be an excellent investment for those who value sustainability, reliability and excellent customer service. Overall, techno solis solar panel reviews have shown that the brand is a top choice for those seeking a ...

Nothing but lies from this company, it took 2 years of lies and excuses to actually get solar panels on our property. they lied on the state permit. they steered us to a finance company which hid a \$10,000. "admin fee" which I eventually was a kickback to the solar company. and during this 2 year struggle our true up bills ended up to be \$15,000. which of ...

I also heard horror stories of people being harassed by the 800 solar guys. It was then that my wife and I decided it was time to do our own thing. I quit my job and started Solis Solar & Electrical Inc. Our focus is on transparency from start to finish on all of our projects, and educating the public on how solar can help them.

I will replace my faulty hybrid MPPSolar inverter with new Hybrid inverter, I have Solis and DEYE hybrid inverters Price in the same range and specifications not 100% the same little difference"s. Any one used DEYE or Solis please help me to choose one of them . Which one more reliable less headache and problems and heating issue which one run cooler.
