We are their main logistics service provider for their campaigns in Trinidad, Guyana and Suriname. The majority of our work for 2022 and 2023 was in supporting Suriname and Guyana. Suriname in particular comprised the majority of our activity in the region as we supported several drilling campaigns.

1 · Positioning Suriname as an Energy Leader. Suriname's proximity to the resource-rich Guyana-Suriname Basin adds to its strategic significance. Neighboring projects like the Stabroek Block in Guyana, operated by ExxonMobil, already produce over 600,000 barrels per day, showcasing the region's capacity to meet rising global energy demands.
