Who is the new strategic industries minister in Ukraine?

Herman Smetanin, CEO of arms company Ukroboronprom, a major player in the Ukrainian defence industry, will pick up the Strategic Industries ministry. Ruslan Strilets' ecology and environment portfolio is tipped to be soon headed up by former Deputy Minister of Energy Svitlana Grynchuk.

Why did Ukraine reshuffle its government in 2022?

This is the biggest government reshuffle since Russia launched its full-scale invasion in 2022. The change in Kyiv also came as Ukraine fights to defend against the incursion into Russia that it launched nearly a month ago and struggles to hold back a punishing advance of enemy troops in the east.

Who is Iryna Vereshchuk & Oleksandr Kamyshin?

Outgoing Deputy Prime Minister and Reintegration Minister Iryna Vereshchuk will become Deputy Head at the president's office. At the same time, Oleksandr Kamyshin will trade the position of Strategic Industries Minister for a presidential advisor role.
